France, Lebanon, United Kingdom of Great Britain and Northern Ireland and United States of America: draft resolution

The Security Council,

Recalling its resolution 1970 (2011) of 26 February 2011,

Deploring the failure of the Libyan authorities to comply with resolution 1970 (2011),

Expressing grave concern at the deteriorating situation, the escalation of violence, and the heavy civilian casualties,

Reiterating the responsibility of the Libyan authorities to protect the Libyan population and *reaffirming* that parties to armed conflicts bear the primary responsibility to take all feasible steps to ensure the protection of civilians,

Condemning the gross and systematic violation of human rights, including arbitrary detentions, enforced disappearances, torture and summary executions,

Further condemning acts of violence and intimidation committed by the Libyan authorities against journalists, media professionals and associated personnel and *urging* these authorities to comply with their obligations under international humanitarian law as outlined in resolution 1738 (2006),

Considering that the widespread and systematic attacks currently taking place in the Libyan Arab Jamahiriya against the civilian population may amount to crimes against humanity,

Recalling paragraph 26 of resolution 1970 (2011) in which the Council expressed its readiness to consider taking additional appropriate measures, as necessary, to facilitate and support the return of humanitarian agencies and make available humanitarian and related assistance in the Libyan Arab Jamahiriya,

Expressing its determination to ensure the protection of civilians and civilian populated areas and the rapid and unimpeded passage of humanitarian assistance and the safety of humanitarian personnel,

Recalling its decision to refer the situation in the Libyan Arab Jamahiriya since 15 February 2011 to the Prosecutor of the International Criminal Court, and *stressing* that those responsible for or complicit in attacks targeting the civilian population, including aerial and naval attacks, must be held to account,
